

ACTIVSTARS ATHLETICS

Scholarship Application

Be it known that **ACTIVSTARS ATHLETICS** is an organization that provides children's youth programs at an affordable cost. However, there may be instances when a child cannot participate in an **ACTIVSTARS ATHLETICS** program due to extreme financial difficulty. Since **ACTIVSTARS ATHLETICS** concerns itself with the well-being of children, scholarships may become available to a child if **ACTIVSTARS ATHLETICS** deems it necessary.

If approved, scholarships are provided **once per semester year. There is no guarantee** that your student will be approved for a scholarship (full or partial), or that **ALL** children in the same family will be approved. **ACTIVSTARS ATHLETICS** is limited in the number of scholarships that we are able to grant, so scholarships will be given on a first-come, first-served basis.

Scholarship applications will be open from one week before the class start date until the third week of class. After that date, scholarship applications will be closed for that semester. When applying for a scholarship, please ensure that all the information on the application is filled out correctly and that you submit all the applicable forms with the application. If you do not send in all the appropriate forms with your application, then your application will not be processed.

If the class you would like to attend has started and your scholarship application has not yet been processed, if you would like to still participate in the class, be advised that even though your scholarship is pending, you will still have to pay the registration fee and the class fees. If your scholarship is approved after you have attended the class, **ACTIVSTARS ATHLETICS** will not reimburse you for the class fees you have already paid.

If approved, the scholarship will only cover the weekly class fees. **ACTIVSTARS ATHLETICS** Scholarships **do not** include (unless noted) registration fees, testing fees, merchandise, sparring, or events.
